

# Reflektor (Eelke Kleijn Bootleg)

## Arcade Fire

Trapped in a prism, in a prism of light  
Alone in the darkness, darkness of white  
We fell in love, alone on a stage  
In the reflective age  
Entre la nuit, la nuit et l'aurore  
Entre les royaumes, des vivants et des morts  
If this is heaven  
I don't know what it's for  
If I can't find you there  
I don't care  
I thought, I found a way to enter  
It's just a reflektor (It's just a reflektor)  
I thought, I found the connector  
It's just a reflektor (It's just a reflektor) Now, the signals we send, are deflected again  
We're still connected, but are we even friends?  
We fell in love when I was nineteen  
And I was staring at a screen  
Entre la nuit, la nuit et l'aurore  
Entre les voyants, les vivants et les morts  
If this is heaven  
I need something more  
Just a place to be alone  
'Cause you're my home  
I thought, I found a way to enter  
It's just a reflektor (It's just a reflektor)  
I thought, I found the connector  
It's just a reflektor (It's just a reflektor) Just a reflektor  
It's just a reflektor (It's just a reflektor) It's just a  
reflektor (It's just a reflektor) It's just a reflektor (It's just a reflektor) reflektor (Just a reflektor)  
(Just a reflektor) just a reflektor  
(Just a reflektor) just a reflektor (reflektor)  
(Just a reflektor)  
(Just a reflektor)  
(Just a reflektor, just a reflektor)  
(Just a reflektor, just a reflektor) Just a reflection, of a reflection  
Of a reflection, of a reflection, of a reflection  
Will I see you on the other side? (Just a reflektor)  
We all got things to hide (Just a reflektor)  
It's just a reflection of a reflection  
Of a reflection, of a reflection, of a reflection  
Will I see you on the other side? (Just a reflektor)  
We all got things to hide (Just a reflektor) Alright, let's go back  
Our song escapes, on little silver discs  
Our love is plastic, we'll break it to bits

I want to break free, but will they break me?  
Down, down, down, don't mess around I thought, I found a way to enter  
It's just a reflektor (It's just a reflektor)  
I thought, I found the connector  
It's just a reflektor (It's just a reflektor) It's just a reflektor It's just a reflektor (It's just a reflektor) It's just a  
reflektor (It's just a reflektor)  
It's just a reflektor (It's just a reflektor) Thought you would bring me to the resurrector  
Turns out it was just a reflektor (It's just a reflektor)  
Thought you would bring to me the resurrector  
Turns out it was just a reflektor (It's just a reflektor)  
Thought you would bring to me the resurrector  
Turns out you were just a reflektor  
It's just a reflektor (It's just a reflektor)  
(It's just a reflektor) Just a reflektor Just a reflektor  
Just a reflektor  
Just a reflektor  
Will I see you on the other side?  
It's just a reflektor  
Will I see you on the other side? (reflektor)  
We all got things to hide (reflektor)  
Just a reflektor  
Will I see you on the other side?
