# Crawling Back To You

## Daughtry

Lessons learned, bridges burned to the ground,
And it's too late now to put out the fire,
Tables turned, and I'm the one who's burning out,
Well I'm doing alright,
'Til I close my eyes
And then I see your face,
And it's no surprise.
[Chorus]Just like that I'm crawling back to you,
Just like you said I would yeah,
I swallowed my pride,
Now I'm crawling back to you,
I'm out of my head,
Can't wait any longer,
Down on my knees, I thought I was stronger,
Just like that, like you said I'd do,
I'm crawling back to you.
Time can heal, but the scars only hide the way you feel,
And it's hard to forget how I left you hanging
On by a thread, when everything is said, I will regret it, yeah,
I was doin' alright, thought I could make it,
Then I see your face and it's hard to fake it.
[Chorus]Just like that I'm crawling back to you,

Just like you said I would yeah,
I swallowed my pride,
Now I'm crawling back to you,
I'm out of my head,
Can't wait any longer,
Down on my knees, I thought I was stronger,
Just like that, like you said I'd do,
I'm crawling back to you.
If you could find a way, to forgive everything, I know you would.
And I would take it all back, give if only I knew that I could.
Lessons learned, bridges burned to the ground.
And it's too late now, to put out the fire.
[Chorus]Just like that I'm crawling back to you,
Just like you said I would yeah,
I swallowed my pride,
Now I'm crawling back to you,

I'm out of my head,
Can't wait any longer,
Down on my knees, I thought I was stronger,
Just like that, like you said I'd do,
I'm crawling back to you.
I'm crawling back to you [3x]
