# Typical Me

## Jon NÃ¸rgaard

It's just one of those days,
typical me,
typical club scene,
typical grief,
one of those raves,
typical beef,
now there's fu**ing headlocks
putting me to sleep,
It's just one of those days,
typical me,
typical club scene,
typical grief,
one of those raves,
typical beef,
and now there's fu**ing headlocks
putting me to sleep,
It's just Typical Me.
I must have one of those faces,
It's stuck wit me i can't change it,
I aint troublesome i'm the safest,
but they wont let my click in 'Faces',
'cause i must be one of them artists,
that gets kicked out the club the fastest,
'cause bouncers think they're the hardest,
I'll bang them and blame it on Marcus,
Yeah i got raised in the ghetto,
I'll skank out and shuffle like ghetto,
'cause most times I'm just mellow,
I'll bring up a pint before I'll say 'Hello'
but yeah Ravins exciting
so i put it all in my writin',
and we aint just always fightin'
just the bouncers that think they're Tyson,
'cause your with your click
I'm with my click,
try it with me,
I'm kinda pissed, so mind that i switch,
don't try it with me,
I'd rather kick that real finer chick,

smiling with me,
I try my best to not be aggressive but,
It's one of those days,
Innit..
typical me,
typical club scene,
typical grief,
one of those raves,
typical beef,
now there's fu**ing headlocks
putting me to sleep,
It's just Typical Me,
I must just be unruly,
so no-one cant over rule me,
but look at all the drinks he brought me,
I drink too much when i was 40,
stand up to see your noose,
a pest, a pain, a rage,
the same shit happens almost every other day,

almost every other rave,
there's some sort'a drama,
but most other times I'm cool I'm calmer,
frightened i can't afford to wear 'Prada'
no but i don't box just to prove I'm harder,
but don't piss me off today, I'm pissed already so,
I guess it's gonna be one of those days,
Innit..
Typical me,
It's typical,
you can take me out the hood i'll still act like a criminal,
so don't try and get physical,
but lemme weigh up my options,
How big? they're menacing bouncers,
I'll lift 20kg's, I bet they probably lift houses,
so i guess a '1 on 1' just aint the best way about this,
but this is my situation, every week, life's a bitch,
I'll probably get nominated and kicked out the 'Brits'
'cause your with your click
I'm with my click,
try it with me,
I'm kinda piss, so mind that i switch,
don't try it with me,
I'd rather kick that real finer chick,
smiling with me,

I try my best to not be aggressive but,
It's one of those days,
Its always Kano getting in the madness,
me I'm in the corner sippin' on Champerz,
but for some reason, i gotta face they all wana ramp with,
It's so typical,
I'm no little fool,
and no i don't wanna sit and talk,
i take a mo and sip it all,
every rave it is so predictable,
when i don't mean the tunes we listen to,
I have mixed feelings but i dunno what I'm gonna do'
so here's what is and what isn't true,
It's just one of them days,
one of them raves,
where some of us aint in the mood for bouncers,
you might see me move to bouncers,
here's what i do to bouncers,
'cause you're on the door, and turn me away,
I'm moving to you,
I'm known to swing, and knock with my fists,
I"ll tuck your crew in,
I'm on the list, so don't take the piss,
that's what you're doing,
I'll try my best to not be aggressive,
but it's one of those days,
(da da da da, da,da,da,da, da,da,)
(da da da da, da,da,da,da)
(da da da da, da,da,da,da, da,da,)
