

# Chainsaw Gutsfuck

## Mayhem

Bleed down to the fucking core  
You're going down for fucking more  
Screw your slimy guts  
Driving me fucking nuts! Chainsaw in my bleeding hands  
As I start to cut you in two  
Your guts are steaming out  
And I just love the sight! Maggots crawling in her cunt  
I just love to lick that shit  
Bury you in a slimy grave  
You will rot forever there!
