

What Do I Have to Do

Martina McBride

This is my third town, God, let it be the last one
Start a new job Monday, I need a little time not to run
Just when I think it's over, starting over, you get closer
Letting over What do I have to do? Where do I have to go?
To get you off my mind, leave you behind, give me a sign
What do I have to do to make me stop loving you? I even met somebody who I thought would be the one to
Turn me down a new road far enough to finally lose you
This losing game I'm playing, smile I'm faking, road I'm taking
You'll be waiting, heart's still breaking, just keep on praying What do I have to do? Where do I have to go?
To get you off my mind, leave you behind, give me a sign
What do I have to do to make me stop loving you? I want my life back, I wanna move on
'Cause I ain't the first one to lose someone What do I have to do? Where do I have to go?
What do I have to do to make me stop loving, loving you?
What do I have to do? Will I ever stop loving you?
