

# Victim Convenience (S. Krolkowski - Dance To It)

## The Faint

I took two steps out of the door  
And I got two steps away and then I turned  
The screen was calling I could not resist You could find a bead of light  
You can cause the outside window to dull  
Pause until the evening turns  
And it's a.m. routine job or the pills We're all on cable I V drips  
Let red cells pix elate us  
Constant help needed to unhook  
Call it 'Victim Convenience' I took two steps out of the room  
And I stepped back toward the door  
And tried again, a conversation  
And it went like this I could talk for hours to you  
I could watch your mouth and eyes look shut  
The controller's lost and I'd  
Rather commit power than hear this out We're all on cable I V drips  
Let red cells pix elate us  
Constant help needed to unhook  
Call it 'Victim Convenience'
