Up To You

Eternal

It's up to you
It's up to you
It's up to you
It's up to you
If you make it in time
We can rock this party all night long
Party people in line
Waiting for the DJ to play a song
It's up to you
If you wanna party all night
It's up to you
We can have a good time, baby
It's up to you
Move from left to right
Move up and down
(It's up to you)
Moving up and down
(When you're moving up and down)
Eternal are in town
Here to give you our special kind of soul
So free your minds and let us take control
It's up to you
Come on now, we can party all night
It's up to you
We can have a good time, baby
It's up to you
The time is right
We can work it day or night
(It's up to you)
It's up to you
Come on, everybody
We can rock this party
We can make it right
It's up to you
When you feel the fire burning
We can make it feel alright
(All through the night)
Feel alright
When we move our bodies closer

We can party all through the night
(All through the night)
All through the night
It's up to you
It's up to you
It's up to you
It's up to you
In the back
(Party all night)
In the front
(Party all night)
In Japan
(Party all night)
And Milan
(Party all night)
In the Bronx
(Party all night)
Have you got the funk?
(Party all night)
In Paris

(Party all night)
To my mom
(Party all night)
In Vienna
(It's up to you)
(Party all night)
In Italy
(Party all night)
In Spain
(It's up to you)
(Party all night)
All over the world
(Party all night)
Hey Esther
(It's up to you)
(Party all night)
And Vernie
(I like to party)
(Party all night)
And Kelle
(It's up to you)
(Party all night)
That makes Eternal
(Party all night)

It's up to you
We've got the vibe
It's up to you
Let's make it right
It's up to you
We got the vibe
It's up to you
Let's make it right
(Eternal's in the house)
It's up to you
Come on, everybody
DJ play the tune
(It's up to you)
DJ play the tune
(It's up to you)
It's up to you
Come on, everybody
We can rock this party
(It's up to you)
(DJ play the tune all night)
It's up to you
It's up to you
(Party, party, party)
(Party all night)
(Party all night)
It's up to you
(Come on and party, party, party)
(Party all night)
(Party all night)
It's up to you
(Come on and party, party, party)
(Party all night)
(Party all night)
It's up to you
(Party all night)
(Party all night)
