

Weil ich's kann!

Nachtmahr

[Doesn't sound really aggressive. Can't you make it a bit more dirty? - In here it sounds quite dirty.

Okay, might be the equalizer. Wait a moment, we'll see what we can do about it.

God there are all those chicks out there just dreaming to do it with you.

And that's why the guys'd like to be in your place.

Those are the same guys buying the discs.

Chicks are dropping on their backs until you give in. Then you let it happen. - Sure but aren't you married with a super model? Yeah and you know why? 'Cause I can! And you can do that too.

God there are all those chicks out there just dreaming to do it with you.

And that's why the guys'd like to be in your place.

Those are the same guys buying the discs.'cause I can'cause I can]
