

# Shackles And Chains

[Marty Robbins](#)

On a long lonesome journey I'm going  
Throw your arms 'round my neck and don't cry  
Though in shackles and chains they will take me  
To a prison to stay til I die  
And at night through the bars I will gaze at the stars  
And long for your sweet kiss in vain  
A piece of stone I will use for my pillow  
While I'm sleeping in shackles and chains

Put your arms through these bars once my darling  
Let me kiss those sweet lips I love best  
In heartache you're my consolation  
And in sorrow my haven of rest  
And at night through the bars I will gaze at the stars  
The plans that we made were in vain  
A piece of stone I will use for my pillow  
While I'm sleeping in shackles and chains
