That Kind of Fool

Jerry Lee Lewis

Look at that fool, goin' home to his wife
Look at that fool, he never lays out all night
He doesn't know what it's like to be untrue
Wish that I could have been that kind of foolLook at that fool, have one drink now and heading home
Look at that fool, leavin' that beautiful lady all alone
And then go home to someone, who loves him true
Pleased, ol' Jerry Lee could have been that kind of foolBut I try, I can't do it, darling, not even for you
A woman it's not that Jerry Lee don't love you
But there's just some things I can't doLook at that fool, heading home to his wife
Look at that fool, he never stays out drunk all night
He doesn't know what it's like to be untrue
Wish that I could have been that kind of foolBut I try, I can't do it, darling, not even for you
A woman it's not that Jerry Lee don't love you
But there's just some things I can't doLook at that fool, have one drink, now he's heading home
Look at that fool, he's leavin' that woman all alone
Then go home to someone, who loves him true
Wish that I could have been, that kind of foolLord, I wish Jerry Lee should have been that kind of fool
