

# I Had a Love

## Blue Angel

I had a love  
Sweeter than you'll know  
Oh I had a lifetime in a moment  
    He was a boy  
    I loved so tenderly  
    He could have been  
But he walked away - oh, oh, oh, oh  
    Baby don't go  
I thought maybe I should have  
    Told you long before  
    Something inside is erasing  
The time back to the memory-  
    When you were mine.
