

I Fall

Television Personalities

I gotta full moon
A small room that I need
A candy store, a sexy whore
Yes, I bleed A sifting sand and an electric hand
Yes, I'm fine
A souped up truck, a gobbling suck
Yes, I'm blind And I fall
Well, I fall
Well, I fall
Yes, I fall My mind's a raging blame
A crying shame and I'm sad
A city of sin, a bottle of gin
So dog-gone bad A cool reaction for the big attraction
That's fine
A pissed off god [Incomprehensible]
Well, I'm blind And I fall
Well, I fall
Well, I fall
Yes, I fall I'm a falling angel
Falling down
Be a falling angel
Won't you come around? Don't be scared to follow
It's no crime
You're a falling angel
Before your time And I fall
And I fall
And I fall
And I fall
