What's the story? Where do I go?
I gave my life to you
Everything I had for you Precious reasons
Expressions in your face
It's written all over you
Everything you say and do What was I supposed to do?
What was I supposed to say?
Where was I supposed to go?
What am I supposed to know? What was I supposed to do?
What was I supposed to say?
Where am I supposed to go?
[Incomprehensible] I supposed to know? What's the meaning?
The dreaded feeling
The reason's you don't want me Oh, do you remember me?
Do you remember
How you used to feel for me?
Where do I go from here? What was I supposed to do?
What was I supposed to say?
Where am I supposed to go?
What was I supposed to know? What was I supposed to do?
What was I supposed to say?
Where am I supposed to go?
What was I supposed to know? What was I supposed to do?
What was I supposed to say?
[Incomprehensible] what was it I didn't for you
I gave my life to you What was I supposed to do?
What was I supposed to say?
How the hell am I supposed to do Oh, what was I supposed to do?
What was I supposed to say?
I've given my life to you What was I supposed to do?
What was I supposed to say? What did I do? What didn't I do?
What was I supposed to do?

What was I supposed to say? Need him [Incomprehensible]
Oh, I know I need him, yeah
What was I supposed to do?
