

# Tokyo

## The Adicts

There's a lot of sexy ladies

(In Tokyo)

Millions who have babies

(In Tokyo) All that I've been looking for

Is one that's free Got to go to Tokyo

Got to go to Tokyo It must be in their cooking

(In Tokyo)

Or the way they bow to me

(In Tokyo) I find Japanese ladies irresistible Got to go to Tokyo

Got to go to Tokyo Got to go to Tokyo

Got to go to Tokyo Take me on a fast train

(To Tokyo)

Take me on a jet plane

(To Tokyo) Take me in a wizards chest

Take me there Got to go to Tokyo

Got to go to Tokyo I got to go to Tokyo

I got to go to Tokyo

I got to go to Tokyo

I got to go to Tokyo I got to get to Tokyo

I got to get to Tokyo

I got to get to Tokyo

I got to get to Tokyo
