Supernatural

The Phoenix Foundation

All these things you keep on the mantle
Have been tainted by scented candles
Sickly sweet and so sentimental
Now your own credenza's gone mentalAnd you'll find it's inconsequential
To point out that if differential
Between what he said and he meant to sayOh, I, oh you used to be so wonderfully factual
Now you're talking supernatural lies
On a silence every now and then in your eyes
Well, you used to look so handsome and casual
Now you're looking supernatural
