

Love Has Said Goodbye Again (Rae & Christian Mix)

Simply Red

Love has said goodbye again, see the road we go down
When the wind dies down come the tears, that bring a new beginning Love has said goodbye again, see the road
you go son
We are here but the way we are here it is changing There are many things here in this world, that make me laugh
Comes a dream, comes a dream, hey laugh, hey laugh Love has said goodbye again, feel the road she goes down
From the clear new year comes the dream of a new tomorrow
Comes a dream There are many things here in this world, gonna make me laugh
Comes a dream, comes a dream, hey laugh, hey laugh, hey laugh Love has said goodbye again feel the road she
go down
From the clear new year comes the dream of a new tomorrow
From the clear new year comes the dream of a new tomorrow
From the clear new year comes the dream
