Time

Doug Stone

Oooh, baby, baby
TimeOhohoho, ohWhere there is smoke there is a fire
Your love is like a burning desire
It's like a plague, I got my feet up in my mind
I'm telling you it's timeTime
Time
Time
Time (Got me burning up with fire)Girl, when you speak, you're my desire
The way your boots you step on, feaver rising higher
And I got always, you're the sun is always shine
I'm telling you it's time, timeTime
Time
Time
TimeThe way your boots you step on, feaver rising higher
And I got always, you're the sun is always shine
I'm telling you it's time, timeTime
Time
Time
TimeGirl, you always set me on fire
We're gonna do it tonight
Girl, you gonna take me much higher
Where everything is alright
AlrightTime to sleep, time to sleep
Time is for the world to see
Say what's on my mind
TimeT's the top and here to make you drop
I is on, we're gonna make you shop
M, marshall
E's hot, and you're my heartYeah, yeah, yeah, yeah(Time) Girl, you always set me on fire
(Time) We're gonna do it tonight
(Time) Girl, you gonna take me much higher
(Time) Where everything is alright(Time) Girl, you always set me on fire (Yeah, yeah, yeah)
(Time) We're gonna do it tonight (We're gonna do it)
(Time) Girl, you gonna take me much higher
