

Love For Granted

Phoenix

These days are gone
A loud enough to hold on
I think about the time I wasted
I think about the years to come
It's gettin' late and I can't call
It's gettin' late to face it all
I think about the time I wasted
My loneliness has slowly grown
I told you not to cross the line
And leave me with your love for granted
The letters from your broken heart
I think I might have lost them somewhere
Don't tell me 'bout your lies
Don't tell me 'bout your secrets
My love is easy
You are everythin' I need
Well now your love is gone
I want it safe and guaranteed
Our life is such a fine line
I lookin' at the bright line

I think about the time I wasted
For someday I'll be comin' too
Tonight is dyin' on its own
And now I got your love for granted
It doesn't matter right or wrong
As long as you are hidin' somewhere
Don't tell me 'bout your lies
Don't tell me 'bout your secrets
Even though we've said it all
I would never let us fall, with you
Hang on to a little chance, you bet I'm in
If it is better the solution comes after, it's true
Hang on to a little chance, you bet I'm in
Even though we've said it all
I would never let us fall, with you
Hang on to a little chance, you bet I'm in
If it is better the solution comes after, it's true
Hang on to a little chance, you bet I'm in
