Watching You (Vikter Duplaix Remix)

Slave

Every breath you take
And every move you make
Every bond you break, every step you take
I'll be watching youEvery single day
And every word you say
Every game you play, every night you stay
I'll be watching youOh, can't you see
You belong to me
How my poor heart aches
With every step you take
Every move you make
Every vow you break
Every smile you fake, every claim you stake
I'll be watching youSince you've gone I've been lost without a trace
I dream at night, I can only see your face
I look around, but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying baby, baby please
