Emily

John Cale

Oh Emily, I'd love to be
Down by the sea with you
Having tea with youWalking hand in hand
On the shifting sands
Maybe we'll love again
Maybe we'll love againSoon the time will come
When we must say
Goodbye my dear dear friend
Till we meet againThough I'm far away
I'll still hear you say
Maybe we'll love again
Maybe we'll love againHold my hand
On the sand
And say once more
Like beforeMaybe we'll love again
Maybe we'll love again
Maybe we'll love again
