

# Emily

## John Cale

Oh Emily, I'd love to be  
Down by the sea with you  
Having tea with you Walking hand in hand  
On the shifting sands  
Maybe we'll love again  
Maybe we'll love again Soon the time will come  
When we must say  
Goodbye my dear dear friend  
Till we meet again Though I'm far away  
I'll still hear you say  
Maybe we'll love again  
Maybe we'll love again Hold my hand  
On the sand  
And say once more  
Like before Maybe we'll love again  
Maybe we'll love again  
Maybe we'll love again
