# Anxiety

## App

Anxiety, anxiety, keeps me happy
Anxiety, anxiety, keeps me happy
Always stiff all day long
Nothing's right till it's all wrong
It makes no sense until I'm tense
Always laughing at your expense
Anxiety, anxiety, keeps me happy
Anxiety, anxiety, keeps me happy
Always biting on my nails
Always stiff, it never fails
Now, I think I'll pick my nose
Wipe it on my sweaty clothes
Anxiety, anxiety, keeps me happy
Anxiety, anxiety, keeps me happy
Always screamin' at someone
Got a temper like a gun
Hair trigger personality
Anxiety, anxiety, keeps me hap-happy
And I'm crazy, crazy, crazy in a crazy world
And I'm crazy
(Crazy)
Crazy in a crazy world
And I'm crazy
(Crazy)
Crazy in a crazy world
And I'm crazy, crazy, crazy in a crazy world
A N X I E T Y, A N X I E T Y
Anxiety keeps me high
Cross my heart and hope to die
Anxiety, anxiety, anxiety, anxiety
