Wasted on You

Franceska

I could leave you right now
Pick up the phone and say we're through
Even though we both know
I'll come right back to you
It's a fact I need you
You're the oxygen I breathe
You're running through my veins, under my skin
You're no good for me
I know I gotta give you up
But I just can't let you go
Save my love for another
Cause it's wasted on you
And even though you drown me
I keep holding on to you
I can't let you go
My love's wasted on you
And even though I'm no fool
I know I'm just passing through
But now I know,
My love's wasted on you
If only I could hate you
I mean I try but I just can't
Or maybe I could find you
In the arms of another man
Even though we both know
It's the beginning to our end
I'm running out of excuses

Lying to myself, keep thinking you can change
I know I gotta give you up
But I just can't let you go
Save my love for another
Cause it's wasted on you
And even though you drown me
I keep holding on to you
I can't let you go
My love's wasted on you
And even though I'm no fool
I know I'm just passing through

But now I know,
My love's wasted on you
I'm not thinking of you
I'm not broken in two
I'm not looking back
My love's wasted on you
I'm not thinking of you
I'm not broken in two
I'm not looking back
My love's wasted on you
I'm not thinking of you
I'm not broken in two
I'm not looking back
My love's wasted on you
It's all wasted, all wasted,
It's all wasted, all wasted, oho, oho
It's all wasted on you.
