

As The Sun Sets

This happened once before
 Someone just like you
 I let my guard down and got devastated
 If you listen close, you might hear that sound
 I'm not sure but,
 I think it's my heart breaking

(Chorus)

Someday, you will see
 I love the way you love me
 In me, there's nothing good but you, yeah
 And when this ends, we'll feel so overrated
 Outdated, and never ashamed
 You know I'll try to change
 I didn't mean to lie
 But everything I am has fallen around me
 I feel short of breath
 You got so deep inside
 And I can't forget the first time I made you cry

(Chorus)

Someday, you will see
 I love the way you love me
 In me, there's nothing good but you, yeah

And when this ends, we'll feel so overrated
 Outdated, and never ashamed
 Black and white will fade to gray
 I'm nothing like you
 Lost all I have in just one day
 Tell me this is not real
 Consider yourself my very one desire
 Consider yourself my slave
 Consider yourself at my fingertips
 Consider yourself my slave
 I think you're beautiful

(Chorus)

Someday, you will see
 I love the way you love me
 In me, there's nothing good but you, yeah
 And when this ends, we'll feel so overrated

Outdated, and never ashamed
Someday, you will see
I love the way you love me
In me, there's nothing good but you, yeah
And when this ends, we'll feel so overrated
Outdated, and never ashamed
