

Bassment (Produced By A13)

Kano

Look, Method to the Maadness
Attitude maverick
16's malice
Inflict Damage
Who the fuck is Alice
Married to the game one calls for a family
And when we get together it's like Hussain ... No
Siblings and families
Jack moves and police
Foul mouthed rappers
No fucking manners
Cockney rhyme and slanger's
Sweet
Anti celebrity
Anti Britney
Anti anything
Anti me
I'm something like a phenomenon
Got rappers eating like it was Ramadan
And take 'em down to the Bassment
Neighbors complaining
Right till the sunshine
And take 'em down to th Bassment
I ain't rapping for no MP
FYI I'm a dope MC
And records don't sell
But I LOL
'Cos they hear my shit
They're like OMG
I hear they're shit I'm KMT
Endangered rappers we're a dying breed
Song get captured
Radio radio please play me
Did the video kill the radio fiend
I'm Lil Wayne and I'm going in
Straight to your brain
Break through the Cranium
Big Daddy caning them
Let's take 'em back to the real

And a cassette to tape it
And take 'em down to the Bassment
