

Its Nothin (feat. 2 Chainz)

Wiz Khalifa

[Verse 1: Wiz Khalifa]

Count another grip, smoke another zip
Yet them young niggas tell it I be on my shit
Make a hundred k, spend it all today
What can I say, my DNA is Givenchy
What my swag is, retarded
What Iâ€™m driving, Ferrari
What Iâ€™m rocking, Armani, Gianni Versace, huh
Fuck around and Iâ€™ll buy one of you broke niggas
My change, insane
My chain, oh that thing

[Hook: Wiz Khalifa]

Itâ€™s nothing, Itâ€™s nothing [x8]
Stackinâ€™ cheese till my bread right
Smokinâ€™ weed till my head right
Did it all on my own so, Iâ€™m spend all my bread like
Itâ€™s nothing, Itâ€™s nothing [x4]
Stackinâ€™ cheese till my bread right
Smokinâ€™ trees till my head right
Did it all on my own so, Iâ€™m spend all my bread like
Itâ€™s nothing, Itâ€™s nothing [x4]

[Verse 2: Wiz Khalifa]

You niggas chasinâ€™ money Iâ€™m on top of it
If it ainâ€™t money donâ€™t know what the topic is
Donâ€™t come out till next year that mean Iâ€™m rockinâ€™ it
Order thirty-seven bottles call it poppinâ€™ shit
Goddamn, what you on?
A private plane, fuck you on
Party in south of France when itâ€™s cold
Used to rock all that old shit till it got old

[Hook]

[Verse 3: 2 Chainz]

My hair longer than your girl
Go shawty itâ€™s your world
Sub-zero flow, when I spit, I see snow flurries
Scarface, all out

All I want in this world
I mean all I want for lunch, is a blunt, and your girl
It ainâ€™t nothinâ€™ to me but itâ€™s somethinâ€™ to you
Count money like itâ€™s somethinâ€™ to do
Summer time Iâ€™m like fuck the roof, winter time Iâ€™m in â€˜Lo boots
And uh, itâ€™s nothinâ€™
I like being high because itâ€™s a better view
And, I told your ho my chain so cold itâ€™s on Theraflu

[Hook]
