

See The Sun

The Kooks

Oh, you can have it all and wrap it in the world
You can have everything
You can have love and lots of other things
To make you think

But when it all comes down to you, girl
Yeah, no matter what you do
Take a look at yourself and realize
I've been good to you
I've been good to you

Oh, no, I didn't mean to say what I did say
All about lovers and how they should lay
Well, that was never for me to say and say
Don't you see now how I pay?

I see the sun rising
And all you see is it fall, fall, fall

So, come on up
Wasn't it you who said life was like a plastic cup?
To be used and then disposed of
Yeah, but that's no way to live a life like yours
Don't you see now how I try?

I see the sun rising
And all you see is it fall fall fall

For all the times I never never turned her way
And now she is there on someone else's arms

For all the times I never never turned her way
And now she is there on someone else's arms

For all the times I never never turned her way
And now she is there on someone else's arms

For all the times I never never turned her way
And now she is there on someone else's arms
