

Dick in the Air (Evvol Remix)

Peaches

Is it too much to ask? Dick in the air, let me see you put your
Put your dick in the air
Dick, dick, dick
Dick in the air, let me see you put your
Put your dick in the air
Dick, dick, dick We're sick of hands in the air
And shake our asses like we don't care
We've been shaking our tits for years, so let's switch positions
No inhibitions Fear cracking them nuts, pistachio
Shake that handle bar, pistachio
Curly on top, Ralph Macchio
Went down got milk mustache, yay yo Dick in the air, let me see you put your
Put your dick in the air
Dick, dick, dick
Dick in the air, let me see you put your
Put your dick in the air
Dick, dick, dick
Dick in the air, let me see you put your
Put your dick in the air
Dick, dick, dick
Dick in the air, let me see you put your
Put your dick in the air
Dick, dick, dick I know it's not subtle
I know you think I'm trouble
But I see you standing there with a moose knuckle
Although it makes me chuckle
Loosen your buckle, on the double
Face down, dick up, that's my command
Take it like a real woman, not Ayn Rand (trickle down)
Drop, give me eight inches a pop, stop, you've gone numb, you need a lift
Use a thumb, or take a fist
Roll with it, sisafist, no hissy fit, or sissy bit, or June fizz
For every his, now get to bizz, whose jizz is this?
Whose jizz is this?
Whose jizz is this?
Whose jizz is this? Dick in the air, let me see you put your
Put your dick in the air
Dick, dick, dick
Dick in the air, let me see you put your

Put your dick in the air
Dick, dick, dick Balls and dick, two balls and one dick
Balls, balls, dick, dick, balls and dick
Balls and dick, two balls and one dick
Balls, balls, dick, dick, balls and dick Dick in the air, let me see you put your
Put your dick in the air
Dick, dick, dick
Dick in the air, let me see you put your
Put your dick in the air
Dick, dick, dick
Dick in the air, let me see you put your
Put your dick in the air (put balls and dick)
Dick in the air, let me see you put your
Put your dick in the air (put balls and dick) Dick, dick, dick
Dick, dick, dick
Dick, dick, dick
Dick, dick, dick
