

# Samson

## Regina Spektor

You are my sweetest downfall  
I loved you first, I loved you first  
Beneath the sheets of paper lies my truth  
I have to go, I have to go  
Your hair was long when we first metSamson went back to bed  
Not much hair left on his head  
He ate a slice of wonder bread  
And went right back to bedAnd history books forgot about us  
And the Bible didn't mention us  
The Bible didn't mention us  
Not even onceYou are my sweetest downfall  
I loved you first, I loved you first  
Beneath the stars came falling on our heads  
But they're just old light, they're just old light  
Your hair was long when we first metSamson came to my bed  
Told me that my hair was red  
He told me I was beautiful  
And came into my bedOh, I cut his hair myself one night  
A pair of dull scissors and the yellow light  
And he told me that I'd done alright  
And kissed me till the morning light, the morning light  
And he kissed me till the morning lightSamson went back to bed  
Not much hair left on his head  
Ate a slice of wonderbread  
And went right back to bedOh, we couldn't bring the columns down  
Yeah, we couldn't destroy a single one  
And history books forgot about us  
And the Bible didn't mention us  
Not even onceYou are my sweetest downfall  
I loved you first
