You Can't Stop Me (feat. Laura Benanti)

[Nashville Cast](#)

It's complicated
It's how you laid it out
Everything is changing
You say we're fadin'
You say we're weighted down
Oh baby, you should know by now
That you can't stop meSo do what you gotta do
Say what you gotta say
Go if you gotta go
But I hope you stay
Me, I'm gonna stand right here
I guess I still believe in
You and me somewhere out there
So baby I ain't leavin'You can't stop me
You can't stop me
You can't stop meBrokenhearted ain't how we started out
That's where we are now
But we can make it
If you could just hold out
And baby I can't just lay down
And you can't stop me
SoDo what you gotta do
Say what you gotta say
Go if you gotta go
But I hope you stay
Me, I'm gonna stand right here
I guess I still believe in
You and me somewhere out there
So baby I ain't leavin'You can't stop me
You can't stop me
You can't stop meLetting go is one thing I can't seem to comprehend
This ain't something I can just turn on and off againSo do what you gotta do
Say what you gotta say
Go if you gotta go
But I hope you stay
Me, I'm gonna stand right here
I guess I still believe in
You and me somewhere out there
So baby I ain't leavin'You can't stop me

You can't stop me
You can't stop me.......from lovin' you
