

# Strange Candy

## Cane Hill

Good times and diamond rings  
Red eyes and plastic kings  
Am I alright? Am I alright?  
Don't comfort me  
I'm feeling fine, I'm feeling fine  
In this brand new dream Warm wine and kerosene  
God's eyes and the taste of sleep  
No I don't want, no I don't want  
To spread my wings  
If I'm alive, then I'm alive  
And that's fine by me I'm so captivating, sticky icky swirl  
You can have a taste now, you can have the world  
I'm so captivating, sticky icky swirl  
Momma's gonna cry when her pretty perfect girl's all mine Sometimes I don't feel anything  
Numb, high, the only friends I see  
No I don't want, no I don't want  
No guarantees  
A shiny car, a shiny life  
No not for me I'm so captivating, sticky icky swirl  
You can have a taste now, you can have the world  
I'm so captivating, sticky icky swirl  
Momma's gonna cry when her pretty perfect girl's all mine I'm so captivating, sticky icky swirl  
You can have a taste now, you can have the world  
I'm so captivating, sticky icky swirl  
Momma's gonna cry when her pretty perfect girl's all mine
