

Youthanasia

Megadeth

Who'd believe with the way things are here
We'd be going anywhere telling people how to live?
Who'd believe we'd spend more shippin' drugs and guns
Than to educate our sons, sorry but that's what they did
I can't help but think
I can't help but think
Someone's forsaken you and me
Luck deserted me and the truth beat out my brains
Men rise on stepping stones of their selves to higher things
I've stepped over lots of bodies on my way
Thanks for the information, don't need no more anything
I can't help but think
I can't help but think
Someone's forsaken you and me
We are the damned of all the world with sadness in our hearts
The wounded of the wars, we've been hung out to dry
You didn't want us anyway and now we're making up our minds
You tell us how to run our lives, we run for youthanasia
We are the damned of all the world with sadness in our hearts
The wounded of the wars, we've been hung out to dry
You didn't want us anyway and now we're making up our minds
You tell us how to run our lives, we run for youthanasia
We are the damned of all the world with sadness in our hearts
The wounded of the wars, we run for youthanasia
