

Flippin' Beans

Millencolin

I got a plan for you and I
I want to take you to for this ride
Across the flippin' beans
I'll sit and wait for you and me. I want and I feel
That piece of you, that I see that's for me. You say you really hate it too
You say you want to take a high grip
Inhale gasoline, you sit and wait
Then you watch me flee. Stranger in a strange land
That's what I am
You turn away from me, boom and bam
I got to see you, cause you blew my mind
And now you gonna die, so don't ask why.
