You Never Know

7 Worlds Collide

Come on children, you're acting like children
Every generation thinks it's the end of the world
All you fat followers get fit fast
Every generation thinks it's the last
Thinks it's the end of the world

It's a dream down a well
It's a long, heavy hell
I don't care anymore, I don't care anymore
It's a fear to transcend, if we're here at the end
I don't care anymore, I don't care anymore
You never know

Come on kids, you're acting like children
Act your age
Get back the black meadows and pearls
All you sword swallowers, pull yourselves together
Everything generation thinks it's the worst

Thinks it's the end of the world

It's a secret I can't tell
It's a wish down a well
I don't care anymore, I don't care anymore
It's a long heavy hell
Synthesizer pattel
I don't care anymore, I don't care anymore
But you never know
You never know

I don't care anymore, I don't care anymore
It's a secret I can't tell
It's a wish down a well
I don't care anymore, I don't care anymore
It's a fear to transcend if we're here at the end
I don't care anymore, I don't care anymore
I don't care anymore, I don't care anymore
But you never know
You never know
