Dirty Tricks

Nicotine

WhazzzuupI have a gun to give you a shot
For your dirty tricks
It's hard to explain
This rage in myself
With your dirty tricksGet out of my way
I'm drivin' in my lane
Don't fuck with me this time!
No place to go 'n'
No place to hide
I'm right behind your backWhazzzuupShow me! Show me your faith
Show me your faith or die
Dirty! Oh, you are dirty
Fuck your dirty tricks
