Never Gave Nobody Trouble

[Leonard Cohen](#)

Couldn't pay the mortgage
And it broke my baby's heart
I couldn't pay the mortgage
It broke my baby's heart
I never gave nobody trouble,
But it ain't too late to start!Don't wanna break no window,
Don't wanna burn no car
Don't wanna break no window,
And I don't wanna burn your carYou've got a right to all your riches,
But you let it go too farYou sail the mighty ocean
On a yacht designed for you
You sail the mighty ocean
On a yacht designed for you
Yeah, but the oceans fig with garbage
You ain't good on make it through
