Take Me To Your Heart

Rick Astley

Are we lovers
Or only just friends?
Come tomorrow
Will I be lonely again?
When you see me
Is it love in your eyes?
What you feeling
Deep down inside?Do you think about me
(Think about me)
When I'm far away?
Do you dream about me?
(Dream about me)
Can I find a way
To make you want me?
(Make you want me)
The way I want you
'Cos I think I love you
(Think I love you)
Could you love me too?Take me to your heart
Never let me go
If you knew what I'm feeling
You would not say no
Take me to your heart
Never let me go
For your love, for your love
Is all I need to knowCan you tell me
When you look at me
If you need me
In all honesty?
Because I'm certain
As sure as can be
I'd make you happy
Eternally'Cos I think about you
(Think about you)
When you're far away
And I dream about you
(Dream about you)
Night and day
Can I make you want me

(Make you want me)
The way that I want you?
'Cos I think I love you
(Think I love you)
Could you love me too?Take me to your heart
Never let me go
If you knew what I'm feeling
You would not say no
Take me to your heart
Never let me go
For your love, for your love
Is all I need to knowTake me to your heart
Never let me go
If you knew what I'm feeling
You would not say no
Take me to your heart
Never let me go
For your love, for your love
Is all I need to know'Cos I think about you
(Think about you)
When you're far away
And I dream about you
(Dream about you)
Night and day
Can I make you want me
(Make you want me)
The way that I want you?
'Cos I think I love you
(Think I love you)
Could you love me too?Take me to your heart
Never let me go
If you knew what I'm feeling
You would not say no
Take me to your heart
Never let me go
For your love, for your love
Is all I need to know
