Hopscotch

Keith Poppin

I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
If the sun decides to rise,
without it's colors in your eyes,
it matters not.
A heart of mine,

prefers the darkness.
A Hopscotch, teardrop, ready to drop.
A Hopscotch, teardrop, ready to drop.
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
