

Waking Up On a Train

Oh Darling

Waking up on a train
I know thatâ€™s something that you
Once wrote

Youâ€™re on my mind
Youâ€™re never far
You stamp my memories
With love

Hereâ€™s something that you donâ€™t know
Hereâ€™s something that you donâ€™t know
Iâ€™m a pilot and Iâ€™ll fly this train
Crash, into your front door

Everywhere, yea anywhere
Iâ€™d follow you
Iâ€™d be that girl

Iâ€™m all sucked in
Yea, Iâ€™m all messed up
We will fly away together, but

Hereâ€™s something that you donâ€™t know
Hereâ€™s something that you donâ€™t know
Iâ€™m a pilot and Iâ€™ll fly this train
Crash, into your front door

Hereâ€™s something that you donâ€™t know
Hereâ€™s something that you donâ€™t know
Iâ€™m a pirate and Iâ€™ll steal their gold
Buy us a ship of our own

Ba, ba, ba, ba, ba,

Hereâ€™s something that you donâ€™t know
Hereâ€™s something that you donâ€™t know
Iâ€™m a pilot and Iâ€™ll fly this train
Crash, into your front door

Hereâ€™s something that you donâ€™t know

Hereâ€™s something that you donâ€™t know
Iâ€™m a pirate and Iâ€™ll steal their gold
