

Great and Mighty God

Rev Igho & the Glorious Fountain Choir

Tell me who is the great and mighty God. Who turned the darkness into light Tell me who is the mighty man of
war

Who speaks and the whole world bow in all
Who makes the thunder to roar
Who calms the storms of the sea
Who holds the sun in the sky
He's my God.

(2) Tell me who is the great and mighty God
Who holds the moon and stars in space
Tell me who is the awesome living God
Who rules in heaven and the earth
Who feeds the birds of the air
Who clothes the flowers of the field
Who raised the dead from the grave
He's my God.

Onye oma (3 times)
Onye oma mo

You're my God
You're my King
You're my Saviour
You're my all.
