

# So Seductive

## Tony Yayo

Aww nigga, do you know what this is?  
One shot one kill what's the deal G unit  
Here we go now  
Aww nigga, do you know who you with?  
It's Tony Yayo up in this bitch  
Got them German lugers with them hollow tips  
See shot lugers with an extra clip 50 cent back on that gangsta shit  
On my way OD to flip them bricks  
In that big body Benz you know it's oh 6  
Got your bitch on my dick I stack them chips  
And a flash as a fuck my jewels so sick  
From a block away you can see them kid Don't front mothafucka you know my style  
I don't go nowhere without my 40 cal  
On the low shorty, gotta thing for the kid  
And you know I'm finna take ha back to the crib  
Here we go I'mma show her how a playa live  
At the door I tell her to take her clothes off shit Shorty so seductive dancin' on me  
It's the way that she move that is makin' me horny  
If I wake up next to her in the morning  
I'm a turn over and tell her let's do it again Shorty so seductive dancin' on me  
The way that she move is makin' me horny  
If I wake up next to her in the morning  
I'm a turn over and tell her let's do it again I put the G in G unit baby, I got game  
Head to go good to go and I don't know your name  
Is it the wheels on the hot car, meals on the shock bar?  
Or you just wanna quickie with a rap star  
Ladies tell the truth, you know I'm cute  
But what really turns you on is the rims on my coupe  
Before you jump in my whip and you get dropped off  
You goin' to the telly and you gettin' popped off I can't stop thinkin' of the things you do  
When your freakin' me and I'm freakin' you  
I said, "The ice on my neck make the shortys stare  
Baby, let me fly you in my leer  
Stop, slow down baby if you hear this  
In the club shake and go down baby  
It's past my curfew but parole don't know  
Tear up the club, don't call my P.O." Shorty so seductive dancin' on me  
It's the way that she move that is makin' me horny  
If I wake up next to her in the morning

I'm a turn over and tell her let's do it again  
Shorty so seductive dancin' on me  
The way that she move is makin' me horny  
If I wake up next to her in the morning  
I'm a turn over and tell her let's do it again  
Ma waves be spinnin', ma charm be amazin' women  
You know them black and them white and the Asian women  
Let's cut the small talk, you know why I approached you  
I can't stand when a dime act anti-social  
Gucci LipGloss, Louis Vuitton  
And the boots from Batego Vanetto cost a arm  
Yayo's a don, my car European  
You got mirrors in your pants 'cause I can see me in um  
Listen, I piss out cris, inhale haze  
I'm in da Marriot gettin' laid all day  
Tattoos and piercings and rings in your tongue  
Shorty things like that'll make my black ass cum  
I need groupie love, the coupe on dubs  
I'm in this club with a tre pound star  
Don't blame it on David, I'm all iced out  
'Cause 50 got me rich, so the bar all priced out  
Shorty so seductive dancin' on me  
It's the way that she move that is makin' me horny  
If I wake up next to her in the morning  
I'm a turn over and tell her let's do it again  
Shorty so seductive dancin' on me  
The way that she move is makin' me horny  
If I wake up next to her in the morning  
I'm a turn over and tell her let's do it again
