So Seductive

Tony Yayo

Aww nigga, do you know what this is?

One shot one kill what's the deal G unit

Here we go now

Aww nigga, do you know who you with?

It's Tony Yayo up in this bitch

Got them German lugers with them hollow tips

See shot lugers with an extra clip50 cent back on that gangsta shit

On my way OD to flip them bricks

In that big body Benz you know it's oh 6

Got your bitch on my dick I stack them chips

And a flash as a fuck my jewels so sick

From a block away you can see them kidDon't front mothafucka you know my style

I don't go nowhere without my 40 cal

On the low shorty, gotta thing for the kid

And you know I'm finna take ha back to the crib

Here we go I'mma show her how a playa live

At the door I tell her to take her clothes off shitShorty so seductive dancin' on me

It's the way that she move that is makin' me horny

If I wake up next to her in the morning

I'm a turn over and tell her let's do it againShorty so seductive dancin' on me

The way that she move is makin' me horny

If I wake up next to her in the morning

I'm a turn over and tell her let's do it again I put the G in G unit baby, I got game

Head to go good to go and I don't know your name

Is it the wheels on the hot car, meals on the shock bar?

Or you just wanna quickie with a rap star

Ladies tell the truth, you know I'm cute

But what really turns you on is the rims on my coupe

Before you jump in my whip and you get dropped off

You goin' to the telly and you gettin' popped offI can't stop thinkin' of the things you do

When your freakin' me and I'm freakin' you

I said, "The ice on my neck make the shortys stare

Baby, let me fly you in my leer

Stop, slow down baby if you hear this

In the club shake and go down baby

It's past my curfew but parole don't know

Tear up the club, don't call my P.O. "Shorty so seductive dancin' on me

It's the way that she move that is makin' me horny

If I wake up next to her in the morning

I'm a turn over and tell her let's do it againShorty so seductive dancin' on me The way that she move is makin' me horny

If I wake up next to her in the morning

I'm a turn over and tell her let's do it againMa waves be spinnin', ma charm be amazin' women You know them black and them white and the Asian women

Let's cut the small talk, you know why I approached you

I can't stand when a dime act anti-social

Gucci LipGloss, Louis Vuitton

And the boots from Batego Vanetto cost a arm

Yayo's a don, my car European

You got mirrors in your pants 'cause I can see me in umListen, I piss out cris, inhale haze

I'm in da Marriot gettin' laid all day

Tattoos and piercings and rings in your tongue

Shorty things like that'll make my black ass cum

I need groupie love, the coupe on dubs

I'm in this club with a tre pound star

Don't blame it on David, I'm all iced out

'Cause 50 got me rich, so the bar all priced outShorty so seductive dancin' on me

It's the way that she move that is makin' me horny

If I wake up next to her in the morning

I'm a turn over and tell her let's do it againShorty so seductive dancin' on me

The way that she move is makin' me horny

If I wake up next to her in the morning

I'm a turn over and tell her let's do it again
