

# You Dont Know Me (Fat Choons Remix)

## Armand van Helden

What is my problem with men, you ask  
No, I ask you what was man's problem with me You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life I don't ask for nothing  
I'm always holding my own  
Every time I turn around it's something  
People talking about what they don't know And when I try to move on up  
They're always pulling me down  
I'm tired and I've had enough  
It's my life and I'm living it now You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you jude my life You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you jude my life I always wonder why  
People try to hurt me  
No happiness in their own lives  
So they act out all there jealousies Who are you to say that I'm living wrong  
Always telling me what to do  
I've decided I gotta be strong  
What makes you think that I needed you  
You don't know me You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life You don't even know me

You say that I'm not living right  
You don't understand me  
So why do you judge my life You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life Who are you  
You say I'm not livin' right  
Anything I try to do  
You haven't walked in my shoes  
I'm gonna move on  
It's my life, it's my life  
It's my life, it's my life  
It's my life, it's my life You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life You don't even know me  
You say that I'm not living right  
You don't understand me  
So why do you judge my life
