

# Unforgiven

## Metallica

New blood joins this earth  
And, quickly, he's subdued  
Through constant pained disgrace  
The young boy learns their rulesWith time, the child draws in  
    This whipping boy done wrong  
    Deprived of all his thoughts  
The young man struggles on and on, he's known  
    A vow unto his own  
    That never from this day  
His will they'll take awayWhat I've felt  
    What I've known  
Never shined through in what I've shown  
    Never be  
    Never see  
Won't see what might have beenWhat I've felt  
    What I've known  
Never shined through in what I've shown  
    Never free  
    Never me  
So I dub thee "Unforgiven"They dedicate their lives  
    To running all of his  
    He tries to please them all  
This bitter man he isThroughout his life the same  
    He's battled constantly  
    This fight he cannot win  
A tired man, they see no longer cares  
    The old man then prepares  
    To die regrettfully  
That old man here is meWhat I've felt  
    What I've known  
Never shined through in what I've shown  
    Never be  
    Never see  
Won't see what might have beenWhat I've felt  
    What I've known  
Never shined through in what I've shown  
    Never free  
    Never me  
So I dub thee "Unforgiven"What I've felt

What I've known  
Never shined through in what I've shown  
    Never be  
    Never see  
Won't see what might have beenWhat I've felt  
    What I've known  
    Never shined through in what I've shown  
        Never free  
        Never me  
    So I dub thee "Unforgiven"Never free  
        Never me  
    So I dub thee "Unforgiven"You labeled me  
        I'll label you  
    So I dub thee "Unforgiven"Never free  
        Never me  
    So I dub thee "Unforgiven"You labeled me  
        I'll label you  
    So I dub thee "Unforgiven"
