

# You Gets No Love

Faith Evans

[Intro - Rap]

Uh, uh uh, what?

I know it's not too ghetto

I know it's not too ghetto

I said I know it's not too ghetto

You better check yourself

Respect yourself

You better go for self

Because I flow for self[Faith]

I'll tell you why there's no love

Simply you're not cool enough

For what we had between us

Don't you know you lost my trust?

People ask me where you've been

And I tell them we're just friends

'Cause it's so obvious

That it's never gonna work for us Played with my emotions

You gets no devotion

And you gets no love, gets no love

You can get no love from me

You can't even be my friend

And you gets no love again

Whatever you do it

Will come back to you I'll tell you why we can't hook up

'Cause I had about enough

Of hearing all the lies you tell

Boy I thought I knew you well People think that you're my man

They don't even understand

Just because I let's you get love

Don't make you the one

We ain't even in love

You know that you played Played with my emotions

You gets no devotion

And you gets no love, gets no love

You can get no love from me

You can't even be my friend

And you gets no love again

Whatever you do it

Will come back to you[Rap]

You better rock my shit  
Don't knock my shit  
Because I got that shit  
To make you cop my shit  
You better rock my shit  
Don't knock my shit  
Because I got that shit  
That make you cop my shit  
I'm the diva with clout  
Everybody rap about  
Check it out rhymes I' bust 'em  
Problems with my life don't discuss 'em  
Played with my emotions  
You gets no devotion  
And you gets no love, gets no love  
You can get no love from me  
You can't even be my friend  
And you gets no love again  
Whatever you do it  
Will come back to you
