Barricade

PRIMEADDICT

I know it's hard, I feel it too
so don't bother faking
It doesn't matter what troubles you
I will help you take it
Here from the rain, I shelter you
'Till the storm is ended
Fired as arrows, words untrue
But I defend this
Pitiful, you're so beautiful
and the line unfall on me
fall on me
Before the battle begins
and until it's through
I'm like a barricade in between anything in you
So how matter how far but
whatever it takes you will make it through the day
I'm your baricade
Before the battle begins
and until it's through
I'm like a barricade in between anything in you
So how matter how far but
whatever it takes you will make it through the day
I'm your baricade
Love is too real to a fairytale
so over after
Time is a healer, but I won't fail
to be with you faster
Pitiful, you're so beautiful

and the line unfall on me
unfall on me ...
Before the battle begins
and until it's through
I'm like a barricade in between anything in you
So how matter how far but
whatever it takes you will make it through the day
I'm your baricade
I-I-I'm your Barricade
I-I-I'm your Barricade

Barricade ..
I-I-I will be your Barricade
I'm your Barricade
As the bombs drop you won't feel a thing
I can take it, you will make it through the day
I will be your Barricade
I will be your Barricade
I will be your Barricade
Before the battle begins
and until it's through
I'm like a barricade in between anything in you
So how matter how far but
whatever it takes you will make it through it
I'm your baricade ...
I-I-I'm your Barricade
I-I-I'm your Barricade
Barricade ..
I-I-I will be your Barricade
I'm your Barricade
