

A Matter of Time (Planningtonrock Remix)

Dillon

Rain drops, trees rise
Valleys sink and seas defy
It's only a matter of timeTemperatures rise
Mountains peak
Skies fall, flats tire
It's only a matter of timeWith the waves
Cutting air
I give way
Call us tradeRain fills my eyes
In the sea I lose my mind
I'm only a matter of timeWhen we collide
Mountains peak
Skies fall, flats tire
We're only a matter of timeWith the waves
Cutting air
I give way
Call us tradeRain drops, trees rise
Mountains peak
Skies fall, flats tire
It's only a matter of timeRain drops fill my eyes
In the sea I lose my mind
I'm only a matter of time
