

# Dreamworld

Robin Thicke

I would be you, you would be me  
We would be one, we would be just fine  
The ice caps wouldn't be melting and neither would I  
Hmm  
I would just drive my big old car  
And everything would be alright  
And energy would just fall down right from the sky, yeah Words would fly right from out of my mind,Â  
Out of my mind into your heart, into your life  
And everything would sound just right,Â  
And no one would stop me from drinking my wine That's my dreamworld  
That's my dreamworld  
It's more than a dream  
Dreamworld  
That's my dreamworld  
And I wanna live in my dream, (dream) For the real world just don't feel right, ey  
I wouldn't spend my days searching for, searching for lost time,Â  
Yeah (oh oh, dream)  
I wouldn't be so damn sensitive, I'd let things go by  
No matter what the weather, I'd learn to change,Â  
I'd change with the time, yeahÂ And every time I need a woman, she'd appear right by me  
She hold me tight, treat me right, and tell me  
That everything is gonna be,Â  
Is gonna be alright, alright That's my dreamworld  
That's my dreamworld I would tell Vango  
That he was loved, there's no need to cry  
Hmm  
I would say Marvin Gay your father  
Didn't want you to die  
(Dream)Â There would be no black and white  
The world would just treat my wife right  
Yeah baby (dream)  
We could down in Mississippi and no one  
Would look at us trice ey That's my dreamworld  
That's my dreamworld  
It's more than a dream  
Dreamworld  
That's my dreamworld  
And I wanna live in the dream Let's dream, let's dream  
Dream on, dream on

Dream on, dream on Let's dream (dream) let's dream  
Let's dream, let's dream  
Dream on  
Dream on Let's dream (dream)  
Let's dream  
(Dream on)  
Let's dream  
Dream on babe (Dream) oh  
Dream on, dream on yeah yeah yeah (dream)
