

# Teacher's Pet

## Petty Booka

"Teacher's Pet"

Can I be your teacher's pet?

[1st Verse: Patrick] It was just another Monday

can't wait for this day to end yeah

I was walking down the hallway

To class but as I walked in

That's when I saw this girl so beautiful

From her head to cuticles

But what I didn't know was

See this girl that had me out of breath

Was a substitute I guess

cause she told me take my desk and

[Hook:] (B5) Patrick

(There goes my heart)

There goes my heart

(I guess we were meant to be part)

I guess it wasn't meant to be

Wish that I could show her that I'm more than smart

Give her a love she can't forget if I could be her teachers pet

[Chorus:] (B5) Patrick

(If I could only have one chance)

To show you that I understand what it takes to be a man

(So baby please come take my hand)

We can keep it on the low

Girl nobody has to know

(If I could only be with you)

Anything you wanna do

I'm not afraid to try with you

(I may be young but u can bet)

You can give me any test if I could be your teachers pet.

[2nd Verse: Patrick] (B5)

As she was writing on the chalkboard

what I saw made a playa's eye sore

I know

There's no way that I could shake this can't take this

(Caught up in tha matrix)

Ohhhh noooo

(The way her dress fits)

Firmly on her waist

make that Coca-Cola shape  
Made me wanna get a taste and  
Soon as the bell ring (Bell ring)  
I know I gotta let you go(I know)  
That I just can't let you go  
My feelings are outta control

(I've been a bad boy)  
(Detention with you somethin' I'd enjoy) I 'd enjoy Yeah Yeah  
I promise that you won't regret  
Making me you teacher's pet  
[Chorus] (B5) Patrick  
(If I could only have one chance)  
To show you that I understand what it takes to be a man  
(So baby please come take my hand)  
Said we can keep it on the low  
Nobody has to know  
(If I could only be with you)  
Said anything you wanna do  
I'm not afraid to try with you  
(I may be young but u can bet)  
I'm saying you can give me any test I'll be your teachers pet  
[Bridge] Patrick (Woman)  
Said hold up miss, said where you think you goin?
