You

Danny Kirwan

Written by R. Edelman.You are the one who makes me happy
When everything else turns to grey
Yours is the voice that wakes me mornings
And sends me out into the dayYou are the crowd that sits quiet
Listening to me
To all the mad sense I make
You are one of the few things worth remembering
And if it's all true
How can anyone mean more to me
Than youSorry if sometimes I look past you
There's no one beyond your eyes
Inside my head the wheels are turning
Hey, sometimes I'm not so wiseYou are heart (you are my heart, you're my, my inspiration)
Just like the old love song goes (just like a love song)
You are one of the few things worth remembering
And if it's all true
How can anyone mean more to me
Than you(You are my heart, you're my, my inspiration)
Just like the old love song goes (just like a love song)
You are one of the few things worth remembering
And if it's all true
How can anyone mean more to me
Than you(You're the one) you
(You're the one, you're the one, ooh..., you're the one for me)
